

## Quiktrak Real Estate Services

### A Full-Suite Real Estate Solution

Quiktrak offers a state-of-the-art Property Data collection solution for your Mortgage, AMC, or insurance needs. We have a nationwide panel of highly skilled inspectors that have completed a certification based on industry-leading requirements. With our 2-5 day turn time in most markets, Quiktrak and all of our inspectors are dedicated to delivering fast, high-quality Property Data Collection reports in PDF and XML formats.

### SOLUTION

Quiktrak's experienced team utilizes industry-leading technology powered by Capture Data Services to provide quick and accurate property assessments. Our portfolio of real estate services includes:

- **PROPERTY DATA COLLECTION:** Quiktrak can ensure accurate data capture using the latest technology and provide an ANSI standard sketch directly to you. We provide data collection for:
  - **Freddie Mac Property Data Report** with ANSI floor plan scan
  - **Property Data Collection** with or without ANSI standard floor plan scan
  - **Property Condition Report** with or without floor plan scan
  - **Disaster Report**
  - **Exterior Only Report**
  - **Draw Inspection**
  - **Floor plan Only** ANSI standard floor plan scan

### THE QUIKTRAK ADVANTAGE

Quiktrak has been inspecting the world one asset at a time for 30 years. In 2014, Quiktrak was acquired by Bureau Veritas, a company with an unparalleled 200-year history in testing, inspections, and certification, with a global network of more than 78,000 experts helping 400,000 clients meet their quality, health, safety, and environmental needs.
